1	<p>Addendum Number One.</p> <p>(2) Questions were received regarding this Request for Quote: 1. Question: Vendor is required to provide ?asbestos competent person? in the event of removal of asbestos from any piping. Does this person have to be employed by the company bidding? Or can this be subcontracted? Answer: The asbestos person may either work for the company or that portion can be subcontracted.</p> <p>2. Question: On page 1 of 5 for the above bid, just below the spot to fill in your mechanical and plumbing license numbers is a requirement that says ?Vendor to provide all excavation, backfilling and cement/metal fabrication as required to repair systems?. There is no line item for excavation equipment. As this is a different license and prevailing wage classification, should there be a line item for Digger and operator? Answer: Yes, please complete the newly added line items beginning with item #38.</p> <p>APA-3658 1/1/15 - 6/30/15 REGULAR LABOR RATE FOR RI LICENSED MASTER PLUMBER ON SITE</p>	2,080.00	Hour
