

DATE: 5/2/23

Addendum # 1

BID NO.: 101264
OPENING: 5/18/23 @ 2:00 PM
COMMODITY: THEATRE DRAPES

This addendum is being issued to answer the following questions that were received by the posted deadline for the above referenced bid solicitation:

1. Please define if this is a “supply only” or if any installation or onsite labor is required.
No onsite labor is required. This is supply only.
2. Please define “PP Webbing” as this is not an industry standard term.
Polypropylene and Polyester Webbing – reinforces the strapping and is mildew proof, waterproof and UV resistant.
3. Please confirm 1” Side Finishes for goods, as that is not industry standard and is not accepted by most theatrical consultants.
Confirming 1’ side finishes for goods.
4. How is freight to be displayed on the bid? Does it need to be included in per unit item, or should it be displayed as a separate line item?
Freight terms are FOB destination. Freight should be included in your unit price. There should be no additional charges outside of the bid price.
5. Please confirm anticipated delivery vs date of award. Please note that KM Fabrics (the sole manufacturer of the specified product) has a multi-week published lead for all new orders to be shipped and delivered. To allow for all materials from the same dye lot, a bid opening on 5/18/23 and a delivery date of 6/30/23 may not be within a manufacturer’s direct control. How should manufacturers display their lead time on the bid form?
You may include lead time as a separate line item on the bid sheet “Attachment A.”
