Addendum # 1

Bid NO.: 101286
OPENING: **7/18/2023 @ 1:00PM**
COMMODITY: National or Regional Franchise License Program

Please see the information below and the attachment relating to the above referenced RFP.

RFP 101286 opening date has been extended to Tuesday, July 18, 2023 @ 1:00 PM

- The start date for these projects is not firm due in part to the chance for an extended state bidding and build-out process.
- Please bear in mind that this is an RFP to “sell” a license to URI Dining Services. This is not an RFP for a Franchisee to establish a venue on campus.
- Individual floorplans are not available since the “as built” schematics only show the overall space and not how the stations are divided.
- Student Survey - see attached.
- Mandatory Pre-Bid Attendance attached.

Questions Submitted by the question deadline of 6/28/23 by 12:00 PM

1. Will there be “as built” AutoCAD files of the space(s) designated for repurposing available for bidders and if so, when?

Answer: “As built” documents should be available for all spaces viewed.

2. Will the University be assuming all “build out” and equipment purchase costs for the License location?

Answer: Yes, this is why preference will be given to franchises that require less build-out and can use some/all of the existing equipment.

3. How and when will vendors be paid?

Answer: Vendors will be paid yearly for licensing fees and monthly for a percentage of gross sales.

4. What are the parameters of the scholarship vendors are expected to offer students?

Answer: The scholarship can have whatever determining qualifications that the vendor wants to put on it with the possibility of being available to any student (no racial, religious, or ethnic limitations).

5. Are vendors responsible for delivering food purchases or do we go through the third-party deliverer URI contracts?

Answer: Either can happen but a preference is given to vendors that can source through our primary broad-line distributor.

6. What are the hours of operation for the kitchen?

Answer: The kitchen hours can vary depending on the needs of the venue but cannot exceed the hours of the building (Monday-Friday, 7:30 am-12 am; Saturday and Sunday, 10 am-10 pm)

7. Is there Bid Surety? The RFP contradicts itself from my understanding.

Answer: There is not a Bid Surety for RFP 101286.

8. Will we be expected to continue catering contracts for the student board should a request be made?

Answer: As a franchise holder the university would have first right of refusal for all on-campus food service. Only if the university could not provide for the needs of the students would outside catering be allowed.

9. Which vendor is leaving?

Answer: None.

10. Does the business need to be owned and operated by a person of color, will others still be considered?

Answer: All viable offers will be considered.

11. I am writing to request a one-week extension of the deadline.

Answer: Yes, RFP101286 will be extended to July 18, 2023, at 1:00PM.

If you have already submitted a bid and need to make changes based on the information within the addendum, please submit a new bid response and indicate that the submission supersedes the prior.

"MANDATORY" PRE-BID CONFERENCE SIGN-IN SHEET

Mandatory pre-bid conference: Any vendor who intends to submit a bid proposal in response to this solicitation must have its designated representative attend the mandatory pre-bid conference. The representative must register at the pre-bid conference and disclose the identity of the vendor whom he/she represents. Because attendance at the pre-bid conference is mandatory, a vendor's failure to attend and register at the pre-bid conference shall result in disqualification of the vendor's bid proposal as non-responsive to the solicitation.
