- Q1. Can you please clarify whether the entity that secures the work under RFP#101303 would be precluded from participating in the subsequent work associated with the design and construction of the future new Water Treatment Facility on the University of Rhode Island's Kingston Campus.
- A1. The University of Rhode Island cannot make that determination. Vendors are responsible for reviewing the applicable legislation (RIGL 37-2-13.1) and complying with the requirements if they intend to bid for Design-Build.
