Addendum# 1

BID NO.: 101309
OPENING: 11/2/23 at 1:00 PM
COMMODITY: STORAGE CONTAINERS

This addendum is being issued to answer the following questions received by the deadline listed in the RFP.

Q1. Would URI be interested in accepting the new one trip container in a tan color, which is the factory color for a lower price than a repainted new container in the requested blue or green color?

A1. If the vendor can provide the same warranty on used goods as new, the University can accept a used container. Please provide pricing for the containers as specified in blue or green. If you would like to provide additional alternate prices for container colors different than the specification indicates, please designate the color difference with your alternate bid price. Alternate colors may be considered and accepted if the price is significantly favorable compared to the specified blue or green.

Q2. If these containers are going to be visible to the general public, we have the ability to stencil or decal a URI logo on the side of the container for branding purposes. Would you like a price on that?

A2. We are not interested in custom branding or logos on the container.

Q3. Will you need shelving, lighting, locks or ramps that might help in the use of the containers?

A3. We do not need any interior accessories installed in the containers.

Q4. We would like to offer you the option of taking the new units in all the same color and also with a fresh paint job in the blue or green color that you like. We also have the option of putting a nice large URI logo on the side if that is something you are interested in. I can put the line items written in on the bid. Is that something that will work for you, or do you just want the price, painted blue or green with no options of a lesser cost?

A4. Please provide pricing for the containers as specified. If you would like to provide additional alternate prices for add-ons different than the specification indicates, please designate the add-on difference with your alternate bid price. We do not require custom logos or lettering on the containers and will favor lower cost options. Alternates may be considered if pricing is favorable.
