

City of Pawtucket, RI

***** Addendum #1 *****

RFP # 23-025 - Reservoir Security Patrol Services

April 13, 2023

The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the Request for Proposals indicated above. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in, and form a part of the proposed Contract Documents for the work.

Inclusion of this Addendum must be acknowledged in the spaces provided in the document entitled "Request for Proposals 23-025 - Reservoir Security Patrol Services". Failure to acknowledge any and all addenda in the above specified bid form may be cause for rejection of the bids by the Owner on the grounds that it is not responsive.

This addendum consists of two (2) pages.

Item 1: Questions and Answers:

Q1: RI Law requires a 7 percent tax on security guard services. Should the tax amount be included in the total price and should it be delineated in a separate area for clarification?

A1: The City is Tax-Exempt. Therefore, taxes should not be included either in the bid amount or in any invoices in case of contract award.

Q2: Regarding the paragraph on Prevailing Wage – Section 26 on page 29. Can you clarify if prevailing wage does or does not apply to this Bid for Security Patrol Services?

A2: The paragraph only applies to those projects, typically Public Works projects, which fall under certain trade categories. Security is not one of those categories. Therefore, Prevailing Wage would not apply to this bid.
