Question from: Baker Tilly US, LLP

Is this requirement something RIPTA would consider adjusting:

- **Must have provided MA service to at least 2 RI public entities of comparable size within the last 3 years**

RIPTA's response:

RIPTA feels experience in Rhode Island is key to a successful outcome. However, we do agree to modify the requirement. Successful firms must have provided service to at least one RI public entity of comparable size within the last five years. This is a reduction in the number of entities from two to one and extending the period from three to five years.
