## **RFP # 24-007 - Fire Rescue Oxygen and EMS Supplies Rebid**

July 27, 2023

The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the Request for Proposals indicated above. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in, and form a part of the proposed Contract Documents for the work.

Inclusion of this Addendum must be acknowledged in the spaces provided in the document entitled "Request for Proposals 24-007 - Fire Rescue Oxygen and EMS Supplies Rebid". Failure to acknowledge any and all addenda in the above specified bid form may be cause for rejection of the bids by the Owner on the grounds that it is not responsive.

This addendum consists of two (2) pages and two (2) attachments.

### **Item 1: Revised RFP Charts:**

The attachments to this addendum are intended to replace the incomplete charts found in the original RFP 24-004:

- Attachment 1 replaces the Item/Product List chart found on pp. 8-11 of the RFP

- Attachment 2 replaces the Pricing Proposal Item/Product List found on pp. 22-25 of the RFP
- All Pricing Proposal instructions are unchanged; only the list of items on which bidders may submit pricing has increased to include all categories.
- Please remember to still fill in the information on the one-line chart below and include with your submission.
