Anticipated Project Funding from the American Rescue Plan Act

Federal ARPA Funding Guidelines

The source of funds for this project may come from the City of Woonsocket's award of federal Coronavirus State and Local Recovery Funds (CSLRF) as part of the American Rescue plan Act of 2021 (ARPA). As a condition of receiving these CSLRF funds the City has the responsibility to ensure that CSLRF funds are used for eligible purposes under ARPA and that all vendors comply with applicable federal, state, and local law. Projects must be completed in a technically sound manner meeting design and construction methods and employing materials that are approved, codified, recognized, under standard or acceptable levels of practice, or otherwise determined to be generally acceptable by the design and construction industry. Additionally, all federal, state and local environmental and permitting laws and regulations must be complied with.

The City's procurement and administrative policy surrounding ARPA funds is intended to be consistent with those for federal awards found in 2 CFR 200 and other federal statutes, regulations, and executive orders. The Treasury has encouraged recipients of ARPA funds to prioritize procurement decisions to employers who can demonstrate that their workforce meets high safety and training standards, that hire local workers and/or workers from historically underserved communities and who directly employ their workforce or have high labor standards for contractors and subcontractors. Treasury also encourages recipients to prioritize employers, contractors, and subcontractors without recent violations in federal and state local labor and employment laws. It is the proposing vendors responsibility to read the entire bid proposal and comply with all the requirements specified herein.
