

REQUEST FOR PROPOSAL

RFP-04-2301

For: Rhode Island Life Science Hub - Executive Search Firm

The Rhode Island Commerce Corporation (“Corporation”) seeks proposals from qualified firms to provide executive search services for the Rhode Island Life Sciences Hub (“RILSH”). The services include identifying potential high-quality candidates for one or more leadership-level positions, the primary and first position being for a President and Chief Executive Officer for the RILSH.

This document constitutes a Request for Proposal (“RFP”), in a competitive format, from qualified firms. This request is an offer by the RILSH to underwrite, in accordance with the terms and conditions of this RFP, the services proposed by the successful firm(s), by contract.

The respondents (“Proposers”) to this RFP shall provide a proposal, in accordance with the terms and conditions set forth herein, to provide all or part of services to the RILSH as described in the Scope of Work.

Project Overview and Background

RILSH is a quasi-public corporate body and agency created by the Rhode Island General Assembly, pursuant to R.I. Gen. Laws § 23-99-4, to act as the central entity responsible for coordinating and organizing life science initiatives within Rhode Island. As a quasi-public agency, RILSH will serve as a government and community resource to boost biotech and life sciences business expansion in, and relocation to, Rhode Island. The President and CEO role calls for a highly committed individual whose leadership enables the RILSH to play a critical role in the growth of the Rhode Island life sciences ecosystem.

The Corporation is supporting the formation of the RILSH. This RFP is issued under the auspices of the Corporation to support the RILSH board of directors as it hires key staff to launch RILSH in 2024.

Scope of Work

1. Solicit input from the executive staff of the RILSH board of directors through meetings and interviews to understand the responsibilities/qualifications and appropriate experience and skill set needed for the positions to be filled and work with executive staff to determine selection criteria for successful candidate(s).
2. Develop a recruitment strategy, process, and timetable for completion of the work in consultation with the executive staff of the RILSH board of directors.
3. As needed, and in partnership with the RILSH leadership, develop accurate and compelling job descriptions and provide input on setting compensation levels for targeted positions. Please note preliminary position descriptions are available for the RILSH.
4. Source job candidates through a number of different and targeted channels including consulting stakeholders regarding leads, proactively reaching out to candidates in the marketplace that may not be actively seeking the position, and other best practice recruitment strategies.
5. Assess the qualifications of and responses from interested candidates against those required and requested in the Job Description, offering initial recommendations for finalist candidates to the RILSH board of directors.
6. Support the executive staff of the RILSH board of directors in engaging in a rigorous interview, reference- checking, and hiring process to select the most qualified candidate(s).
7. It is expected that RILSH leadership of the President and Chief Executive Officer will be in place by June 2024.

Project Timeline

It is expected that RILSH leadership of the President and Chief Executive Officer will be in place by June 2024.

The successful Proposer(s) will enter into a contract for services with the RILSH. The duration of the initial contract between the RILSH and the successful Proposer is expected to begin upon the date of contract approval.

Budget

Proposers to this RFP shall provide a proposed fee structure for providing services necessary to complete the proposed scope items. Proposers shall include a total, maximum price to accomplish the scope items incorporated in the proposal. Fee structure proposals shall include, but are not limited to costs for specific task items from the Scope of Work along with an estimate regarding the duration and number of hours to complete each task. Additionally, proposers shall provide a personnel schedule which includes job title and billing rate for any work which may be undertaken under this contract. Proposers shall also provide job titles and rates for any subcontractors that the respondent is including in this response. If the Proposer contemplates any purchases or pass-through charges during the engagement, any mark-up rate above actual cost

shall be identified as a separate line item in the budget. The RILSH reserves the right to adjust both the budget and related services.

In addition to showing how you will meet the requirements outlined above, Proposers should also provide information regarding the following:

- A work plan description with a list of deliverables, milestones, and processes that will be employed to administer the project. The respondent shall include task assignments of staff members and level of effort for each linked to the cost proposal and project deliverables. With the work plan, please also explain the type of outreach, candidate identification, and structuring of the recruitment and selection process. Firms with proprietary access to candidate databases should make that clear in the response.
- Research & Analytics: Provide an overview of how you determine success. What are the analytic tools or services that you use, and what type of information will you be reporting back to the RILSH as it relates to meeting our objectives?
- References from at least 3 (three) clients of the firm, preferably clients who have utilized the firm on matters related to executive search services and who can describe a successful search. The references must include a contact person, a full mailing address, an email address, and a phone number.
- Travel and Administration: The Proposer should estimate any travel costs expected to incur during contract period. Travel must be in line with budget submitted and approved by the RILSH and follow guidance from all relevant Federal and State statutes.

Responsive proposals for this RFP will be evaluated according to the Evaluation Criteria outlined below.

NOTE: Designated RILSH staff or selected advisors will evaluate the written proposals. The RILSH may at any time during the evaluation process seek clarification from Proposers regarding any information contained within their proposal. 1. ISBE Participation Evaluation (see below for scoring)

- a. The Rhode Island Life Science Hub (“RILSH”) encourages MBE/WBE/DisBE participation in this Request. In accordance with Title 37, Chapter 14.1, and Title 37, Chapter 2.2 of the Rhode Island General laws, the RILSH reserves the right to apply additional consideration to MBE/WBE/DisBE up to six (6) additional points in the scoring evaluation as provided below:
- b. Calculation of ISBE Participation Rate
 - i. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor’s total contract price that will be subcontracted to ISBEs by the non-ISBE vendor’s total contract price. For example, if the non-ISBE’s total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE’s ISBE participation rate would be 12%.
 - ii. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor’s total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor’s total contract price. For example, if the ISBE vendor’s total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor’s ISBE participation rate would be 20%.
- c. Points for ISBE Participation Rate:
 - i. The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

(Vendor’s ISBE participation rate ÷ Highest ISBE participation rate X Maximum ISBE participation points)

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B’s ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope.
