OF RHODE ISLAND

**Purchasing Office**

**Amendment 1: Q & A**

PUBLIC BID NO. **R0072851**

COMMODITY: **Motorcycles**

Q: The bid is asking for a bid on 2 2025 KLX230sm abs

When I called Kawaski on the availability of 2025 they said they only made a few (one here and there) in 2025 because they have so many 2024's still available.

Can we bid on it as 2024 (because we are being honest, anyone else would have to scramble after they got the bid to find that bike.

A: 2024s are fine.
