SECTION 1. INTRODUCTION

Rhode Island College (“RIC”), on behalf of The Institute for Education in Healthcare (IEH), is soliciting proposals from qualified firms to provide evaluation services of the Thundermist Trauma Informed Systems project in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at www.ridop.ri.gov.

The initial contract period will begin approximately October 17, 2022 and end December 31, 2022. Contracts may be renewed for up to four additional 12-month periods based on performance and the availability of funds.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor’s proposal and the subcontractor(s) to be used is identified in the proposal.
7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.

8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an "Affirmative Action Policy Statement."

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written "Affirmative Action Plan" prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the "Contract Compliance Report" (<http://odeo.ri.gov/documents/odeo-eco-contract-compliance-report.pdf>), as well as the "Certificate of Compliance" (<http://odeo.ri.gov/documents/odeo-eco-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For public works projects vendors and all subcontractors must submit a "Monthly Utilization Report" (<http://odeo.ri.gov/documents/monthly-employment->

[utilization-report-form.xlsx](#)) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact Miriam Thorburn at the Rhode Island Equal Employment Opportunity Office, at 222-1452 or via e-mail at ODEO.EOO@doa.ri.gov.

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. Information regarding DisBEs may be accessed at www.gcd.ri.gov.

For further information, visit the Office of Diversity, Equity & Opportunity’s website, at <http://odeo.ri.gov/> and see R.I. Gen. Laws Ch. 37-14.1, R.I. Gen. Laws Ch. 37-2.2, and 150-RICR-90-10-1. The Office of Diversity, Equity & Opportunity may be contacted at, (401) 574-8670 or via email Elvys.Ruiz@doa.ri.gov

13. Bid Surety Bond – Vendors responding to this RFP must furnish, with their bid proposals, either a bid bond from a surety licensed to conduct business in the State of Rhode Island or a certified check payable to the State of Rhode Island in the amount of five (5%) percent of the vendor’s cost proposal. *(Vendors for Rhode Island Department of Transportation highway and bridge projects must furnish, with their bid proposals, a bid bond from a surety licensed to conduct business in the State of Rhode Island. Certified checks are not permitted for these projects.)* An attorney-in-fact who executes a bond on behalf of the surety must provide a certified current copy of the power of attorney. A successful vendor who fails to submit the additional documentation required by the tentative letter of award and/or fails to commence and pursue the work in accordance with the contract awarded pursuant to this solicitation may forfeit, at the discretion of the State Purchasing Agent, the full amount of the bid surety as liquidated damages. The State will retain the bid surety of

all vendors until the earliest of: (i) the issuance of the Purchase Order; (ii) the 61st day following the proposal submission deadline; or (iii) the rejection of all proposals.

14. Payment and Performance Bond - The successful vendor must furnish a 100% payment and performance bond from a surety licensed to conduct business in the State of Rhode Island upon the tentative award of the contract pursuant to this solicitation.
15. Master Price Agreements - Contract Administrative Fee - In 2017 the General Assembly amended the “State Purchases Act”, R. I. Gen. Laws § 37-2-12 (b) to authorize the Chief Purchasing Officer to establish, charge and collect from vendors listed on master price agreements (“MPA”) a contract administrative fee not to exceed one percent (1%) of the total value of the annual spend against their MPA contracts. All contract administrative fees collected from MPA vendors shall be deposited into a restricted receipt account which shall be used for the purposes of implementing and maintaining an online eProcurement system and other costs related to State procurement. In accordance with this legislative initiative the Division of Purchases is upgrading the State procurement system through the purchase and installation of an eProcurement system. The contract administrative fee shall be applicable to all purchase orders issued relative to State MPA contracts. Therefore, effective January 1, 2020 all MPA contracts shall be assessed the 1% contract administrative fee.

SECTION 2. BACKGROUND

The Institute for Education in Healthcare (IEH) has requested the support of an outside evaluator for the Thundermist Trauma Informed System project. This multi-phase project will offer guidance to other entities who are planning on implementing comparable projects and programs.

SECTION 3: SCOPE OF WORK AND REQUIREMENTS

General Scope of Work

The Institute for Education in Healthcare (IEH) is seeking services from The Evaluator to conduct an evaluation of the Thundermist Trauma Informed System project (referred to hereafter as “the Project”). The proposed PROJECT evaluation will consist of three components: Collaborative Planning, Implementation Evaluation, and Outcomes Evaluation. The evaluation plan incorporates multiple data collection methods to assess program design, program implementation, and the achievement of PROJECT outcomes. These methods may include key informant interviews and/or focus groups, observations, surveys, and document review. The use of a mixed methods approach allows for the corroboration of data across participants and time, substantially maximizing the explanatory potential for evaluation. In addition, data gathered through the evaluation will be aggregated and summarized to document project implementation, meet evaluation and accountability requirements, and offer guidance to other entities that are interested in implementing a comparable project in order to meet similar needs.

Collaborative Planning

The purpose of the Collaborative Planning phase of the evaluation will be to clarify the conceptual model for the remaining project tasks and evaluation plan. The

evaluator will work with project staff to develop a final project logic model that identifies agreed upon inputs, outputs, and anticipated outcomes with attention to system assessment and training impact.

Implementation Evaluation

The Evaluator will gather implementation data through a series of 1.) Interviews with project staff and other stakeholders; 2.) Non-participant observations of PROJECT meetings, events, and or other sessions; and 3.) Examination of project materials (document review); 4.) Analysis of training impact through quantitative and qualitative methods.

Specific Activities / Tasks

To determine the degree to which the PROJECT Model meets objectives, The Evaluator will:

1. Conduct a review of existing PROJECT documentation, materials, assessments, and training data
2. Conduct interviews and/or focus groups with current and past PROJECT staff and stakeholders.
3. Administer surveys to stakeholders to evaluate perception of services, supports, and training.
4. Conduct observations of PROJECT trainings, meetings, and other events.
5. Review and analyze existing retrospective evaluation data.
6. Inform development of additional assessment tools to measure training impact.
7. Collate findings into a report.

SECTION 4: PROPOSAL

A. Technical Proposal

Narrative and format: The proposal should address specifically each of the following elements:

1. **Staff Qualifications** – CV – minimum of three (3) years of professional experience conducting research in the field of health and/or human services.
2. **Capability, Capacity, and Qualifications of the Offeror** - Please provide a detailed description of the Vendor's experience. A list of relevant client references must be provided, to include client names, addresses, phone numbers, dates of service and type(s) of service(s) provided.
3. **Work Plan** - Please describe the framework to evaluate the following components 1.) Collaborative Planning, 2.) Implementation Evaluation, 3.) Outcomes Evaluation.

4. **Approach/Methodology** – Define the methodology to be used to collect and analyze qualitative and quantitative data and subsequent reporting.

B. Cost Proposal

Detailed Budget and Budget Narrative:

Please provide a fixed fee cost proposal which will include estimated number of hours, hourly rate cost, estimated travel costs (if applicable), and any additional estimated costs (this section requires justification).

C. ISBE Proposal

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

SECTION 5: EVALUATION AND SELECTION

Proposals shall be reviewed by a technical evaluation committee (“TEC”) comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 60 (85.7%) out of a maximum of 70 points to advance to the cost evaluation phase. Any technical proposals scoring less than 60 points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 60 points or higher will have the cost proposals evaluated and assigned up to a maximum of 30 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

Criteria	Possible Points
Staff Qualifications	10 Points
Capability, Capacity, and Qualifications of the Offeror	10 Points
Work Plan	30 Points

Approach Proposed	20 Points
Points	70 Points
Cost proposal*	30 Points
Total Possible Evaluation Points	100 Points
ISBE Participation**	6 Bonus Points
Points	106 Points

***Cost Proposal Evaluation:**

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (30), Vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 30 = 19.5$$

****ISBE Participation Evaluation:**

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$(\text{Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate})$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.
