

Invitation to Bid
2024/2025/2026 Truck Mounted Attenuator
Contract No. 25-06 Addendum #1

- Eligibility Scope: Is this bid open to international companies, or restricted to U.S.-based entities only? ***There are no restrictions for where a potential bidder's company is located.***

- Supply Requirements: Must bidders provide a complete integrated system (including chassis, TMA unit, and lighting systems), or is supplying the standalone TMA unit permissible? ***A complete unit as per the listed specifications must be supplied.***

- Alternative Proposal: If our TMA unit demonstrates equivalent performance to the TrafFix Scorpion II (with valid MASH 2016 certification) and we commit to providing installation services, would RITBA consider accepting a standalone TMA solution? ***A complete unit as per the listed specifications must be supplied.***

- In reference to upcoming opportunity 25-06 / 2024/2025/2026 Truck Mounted Attenuator, our company is interested in submitting a bid. Is there a bid tabulation or award notice from the previous purchase of these items? ***No.***

- When submitting our bid, can we include pricing for both makes and models or are we only able to submit a bid for one make and model? ***Bidders are not restricted from submitting multiple proposals.***
