ADDENDUM #1

BID NO.: 101214
OPENING: 9/29/22 @ 1pm
COMMODITY: URI MAGAZINE

This addendum was generated to answer the following question submitted for BID 101214 by the question period deadline 9/12/22 at 12pm. No other questions pertaining to this bid will be accepted or answered moving forward.

1. Could you please provide a sample list so we may calculate the postage.
A. See attachment.

2. For the Alternate option envelope can you confirm:
Is the 7 7/16 the size when the flap is extended?
A. 7-7/16 is the size from the seam to the bottom of the envelope, which is folded and glued to create the envelope.
So the flat size (before envelope bottom is folded and glued) is 10-15/16.

- 2b. Any other perfs besides the one next to the seam?
A. No. The perf near the seam is the only one.

- 2c. Have a drawing or pdf that would be helpful as well.
A. See attachment.

3. Could you please send me the weight of a previous magazine?
A. Our spring 2021 issue (printed on specified stock, 56 pages plus cover, included remittance envelope) weighed 5.25 oz.

4. How would you like this to mail? First Class or Marketing Mail?
A. I believe we have used standard mail in the past, which I believe is now marketing mail. We have a non-profit permit and no ads in the magazine.

5. Will you be providing sample list of zip codes so we can estimate postage?
A. See attachment.

6. Can we have a sample mailing list to be able to quote mailing / postage/ shipping cost accurately.
A. See attachment.

7. For Alt 7 (Belly Band) We need it to be 18" x 6". You asked for 18" x 3" but our machine

can't do that small. Is that ok?

A. No. We need the 3" size.

8. For Alt 6 – Remittance Envelopes are becoming more of a problem to get, just wanted to pass this along. We will quote and we can do the action just hard to predict the market in a year.

A. Yes, we understand the envelope market is difficult right now and generally requires an advance order. Please provide a price and let us know your estimate of cost and lead time.

9. For Shipping I see you only have a few shipments going to campus, could you be more specific about the shipments? That 1,500 is there an inside delivery or a dock?

A. The approximately 1,500 plus overruns would be delivered to two separate locations. One is our Mailing Service department, which has a loading dock. The other is the Alumni Center, which does not have a loading dock and inside deliver is required.

If you have already submitted a bid and need to make changes based on the information within the addendum, please submit a new bid response and indicate that the submission supersedes the prior.

Sincerely,
