## Addendum # 1

BID NO.: 101289

OPENING: 7/10/23 @ 1:00pm

COMMODITY: Industrial Scale Flat Bed Knitting Machine

The following questions were submitted by the 6/27/23 @ noon . Addendum 1 was created based on the questions asked by the specified due date and the answers provided by the department . Additional questions will not be considered.

If you have already submitted a bid response and feel you need to change it based on this Addendum you may send in a new bid response. Please label it for this Bid # 101289 and state that the new submission supersedes the prior one.

Question 1 \_Vendor A:

1. Regarding the in-person, 2 week industrial and network training at seller's facility, please advise who is financially responsible for travel and accommodations.

**Answer 1\_URI is financially responsible for the traveling and accommodation of the URI Faculty that will be trained at the vendor's facility.**

Question 2 \_Vendor A:

2. The bid mentions installation of software to URI's PC. Our knitting machine comes with a computer system, which aids in knit programming. Our software is proprietary and cannot be installed on a 3<sup>rd</sup> party computer. Please advise if this is acceptable to URI.

**Answer 2\_If the knitting machine bidder quotes comes with a computer and the software needed for designing the knitting fabrics, the installation of your software on a URI computer will not be needed.**
