OPENING: 8/15/23 @ 1:00pm

COMMODITY: TENT AND RELATED EVENT RENTALS

This addendum was generated to clarify the answers to the submitted questions on Addendum 1 for BID 101293. No other questions pertaining to this bid will be accepted or answered moving forward.

1. We have frame tents, navi-trac is a brand. I am clarifying that you will accept any brand frame tent, do not have navi-trac?
 - A. Yes, we will accept any brand of frame tent.

2. Industry standards when you cannot stake are water barrels (tent barrels) or cement blocks. Water barrels or tent barrels are not staked. We use water barrels; I am clarifying that as long as it is not staked this is acceptable.
 - A. Although we prefer cement blocks to prevent staking or issues with leaking, we are open to the option of covered water barrels if leaking can be prevented.

If you have already submitted a bid and need to make changes based on the information within the addendum, please submit a new bid response and indicate that the submission supersedes the prior.
